## Work Experience

---

### **Fire Alarm Technician**

TradeSTAR Inc.

September 2017 to Present

As of right now I work for Convergent Technologies installing fire alarms.

### **Stocker and Cashier**

Panhandle package - Jonesboro, GA

March 2017 to December 2017

At this job I stock the store, provide customer service, and operate the cash register

### **Electrical Apprentice**

United Electric

August 2016 to March 2017

At this company I have performed various electrical tasks. I have installed lights, receptacles, installed electrical panels, and renovated office spaces

### **Electrical Apprentice**

Uptime Electric

April 2015 to August 2016

At this company I worked at Hartsfield-Jackson Airport. We installed cameras, ran and terminated CAT 5 cable, installed lights and receptacles, and slight ground up construction.

### **Electrical Apprentice**

Pirkle Electric

December 2014 to April 2015

At this company I performed tasks such as installing lights, receptacles, pulling wires. We also renovated offices spaces

### **Sales Associate**

HHGREGG

January 2013 to March 2014

At this company I sold electronics and appliances, provided customer service, and performed slight warehouse duties.
